

PLEASE JOIN ME IN THE CALL TO WORSHIP

Leader: Lord, remember David your anointed king, and recall the hardships he endured:

People: How he vowed to bring the ark and set it up in your house of prayer.

Leader: For your servant David's sake, do not turn away from the face your anointed.

People: Remember your oath that a Son of David will sit upon your throne forever.

Leader: For the Lord has chosen Jerusalem and desired it for a holy habitation.

People: There are those who worship will be clothed in salvation, and the faithful people will rejoice and sing.

LET US CONTINUE TO WORSHIP GOD IN SONG.

BLESSED BE YOUR NAME

CCLI # 1340880

Blessed Be Your name
In the land that is plentiful
Where Your streams of abundance flow
Blessed be Your name

Blessed Be Your name
When I'm found in the desert place
Though I walk through the wilderness
Blessed Be Your name

Every blessing You pour out, I'll
Turn back to praise
When the darkness closes in, Lord
Still I will say

Blessed be the name of the Lord
Blessed be Your name
Blessed be the name of the Lord
Blessed be Your glorious name

Blessed be Your name
When the sun's shining down on me
When the world's 'all as it should be'
Blessed be Your name

Blessed be Your name
On the road marked with suffering
Though there's pain in the offering
Blessed be Your name

Every blessing You pour out I'll
Turn back to praise
When the darkness closes in, Lord
Still I will say

Blessed be the name of the Lord
Blessed be Your name
Blessed be the name of the Lord
Blessed be Your glorious name, oh

You give and take away
You give and take away
My heart will choose to say
Lord, blessed be Your name

Blessed be the name of the Lord
Blessed be Your name
Blessed be the name of the Lord
Blessed be Your glorious name, oh

DANCING IN FIELDS OF GRACE
CCLI # 1340880

There's a place
That I love to run and play
There's a place
That I sing new songs of praise

Dancin' with my Father God
In fields of grace
Dancin' with my Father God
In fields of grace
There's a place
That I lose myself within
There's a place
That I find myself again

Dancin' with my Father God
In fields of grace
Dancin' with my Father God
In fields of grace

There's a place
Where religion finally dies
There's a place
That I lose my selfish pride

Ooh, dancin' with my Father God
In fields of grace

Dancin' with my Father God
In fields of grace

Dancin' with my Father God
In fields of grace
Dancin' with my Father God
In fields of grace

I love my Father
My Father loves me
I dance for my Father
My Father sings over me

I love my Father
My Father loves me
I dance for my Father
My Father sings over me

And nothing, nothing, nothing
Can take, that away from me
And nothing, nothing, nothing
Can take, that away from me

There's a place
Where religion finally dies
There's a place
That I lose my selfish pride

Ooh, dancin? with my Father God
In fields of grace
Dancin' with my Father God
In fields of grace

Oh, come dance? with our Father God
In fields of grace
Dancin' with my Father God
In fields of grace

AS THE DEER
CCLI # 1340880

As the deer panteth for the water
So my soul longeth aft, after thee
You alone, Jesus are my heart's desire
And I long to wor, worship you

You alone are my strength, my shield
To you alone may my spirit yield
You alone are my heart's desire

And I long to worship you

You're my friend and you are my brother
Even though you are king of kings
And I love you more than any other
So much more than anything

You alone are my strength, my shield
To you alone may my spirit yield
You alone are my strength, my shield
To you alone may my spirit yield
You alone are my strength
You, you are my strength Jesus
You are my strength Jesus

In weakness you are my strength
In the storm, you are my strength
In trials you are my strength
In problems, in pain
In tears and shame
You are my strength Jesus
Oh, you alone
You are my strength
My shield

To you alone may my spirit yield
You alone are my heart's desire
And I long to worship you

And I long to worship you
And I long to worship
To worship you
Eh! I wanna worship you Jesus

I long to dwell in your house
Seek your face
Behold your beauty
The choir and your temple

I wanna worship
I wanna worship
I wanna worship you Jesus
Eh!
I wanna worship you
I wanna worship you Jesus

I love you Jesus
I love you Jesus
I wanna worship you
I wanna worship you Jesus
